NALTC Enrollment Agreement

Refund Policy:

A student who at any time withdraws, is withdrawn (including expulsion) by the institution, or otherwise fails to attend class is entitled to a full refund of any fee, regardless of whether the fee is included in tuition, paid to the institution for tangible goods or services not delivered to or fully provided to the student.

In addition to the above policy of this rule, if a student fails to begin class on the program start date as written in the enrollment agreement or as amended by the institution, the refund shall equal the sum of all refundable fees paid and, if the student has institutional loans, forgiveness of the amounts owed by the student, less an administrative fee of one hundred dollars (\$100.00).

In addition to the above paragraphs of this rule, if after the program has commenced and before expiration of twenty percent (20%) or less of the period of enrollment for which the student was charged, a student withdraws, is withdrawn (including expulsion) by the institution, or otherwise fails to attend classes, the refund shall be a pro rata portion of refundable fees, less an administrative fee of one hundred dollars (\$100.00). If applicable, the refund shall include forgiveness of institutional loans. For example, if a student's last day of attendance equals ten percent (10%) of the period of enrollment for which the student was charged, the institution is entitled to retain only ten percent (10%) of the refundable fees charged for the period of enrollment as well as one hundred dollars (\$100.00). However, in no instance will the institution be responsible for any refund in excess of the amount paid by or on behalf of the student for the period of enrollment for which the student was charged.

Except as provided for in the previous paragraph of this rule, if after expiration of twenty percent (20%) of the period of enrollment for which the student was charged, a student withdraws, is withdrawn (including expulsion) by the institution, or otherwise fails to attend classes, the student may be deemed obligated for one hundred percent (100%) of the refundable fees charged by the institution up to the last period of enrollment charged.

For a student who cannot complete one (1) or more classes because the institution discontinued such a class during a period of enrollment for which the student was charged, the institution shall refund the sum of all refundable fees paid and, if the student has institutional loans, forgive the amounts owed by the student.

**When computing refunds pursuant to the policies above, the last day of attendance shall be one of the following: the date on the expulsion notice if a student is expelled, the date the institution receives a written notice of withdrawal, the day the student fails to return from an approved Leave of Absence (LOA) or when no written notice of withdrawal is given the institution shall use the last day of attendance.*

Placement Assistance: NALTC does not guarantee employment upon graduation. However, we do help in any way we can to search for employment opportunities by way of career planning class, guest speakers, and also forwarding job openings after graduation.

Insurance: NALTC requires students to have medical coverage. Please call the office or "Google search" short-term medical coverage for more information.

**Effective date must be on or before the first day of class and a copy of the medical coverage card must be submitted to the office 2 weeks prior to the first day of class.*

**By indicating above that you need housing as sourced by NALTC, your signature obligates you to the independent housing NALTC has sourced for you. If you feel you are uncertain as to whether you would like to use NALTC housing, please do not indicate on this form that you will need housing until you are absolutely certain. Housing is provided on a first come, first serve basis and you should not delay in your decision as to whether you need housing from NALTC. Housing outside of NALTC is difficult to obtain in McEwen. Please remember to be respectful of your landlord as they are leasing properties to students for the duration of the semester instead of a standard one year period. Housing is not owned by NALTC. Thank you in advance!*
